

ELLA'S ICE CUBE WARMS UP WITH FRESHLY GROUND HOT COFFEE FROM CCC

19 June, 2019 – Ella just got better with Ice Cube Ella offering a hot cup of local, freshly ground, rich coffee to keep everyone warm at 1,041 meters above sea level. Ella's famous Ice Cube Ella, café and bar added freshly ground coffee to their already scrumptious menu thanks to Colombo Coffee Company's (CCC) tie up with the restaurateur to provide tourists and locals at Ella with a cup of top quality, fresh coffee.

Known to be a top tourist destination, Ella attracts thousands of locals and tourists throughout the year for its scenic locations, rich bio diversity, great climate and of course the fantastic local food, and now a cup of coffee to complete your meal.

With an investment of a La Cimbali M27 semi automatic coffee machine, accessories and most importantly coffee, Ice Cube Ella customers can taste the full range of espresso, cappuccino, latte and black coffees complimented with other snacks and meals.

The Colombo Coffee Company is the flag carrier for lavazza coffee and the only experienced coffee solutions provider in Sri Lanka. Leading the market for more than a decade in the coffee business CCC offers coffee machines, coffee beans, coffee machine accessories, coffee machine cleaning supplies and barista training.
